4. Traffic Matters

- **Craigrothie & Chance Inn Traffic Calming:** – Update on Fife Council plans.
- **Speeding into Ceres on Cupar Road:** We contacted the Cupar & District Community Police and they responded: “Afternoon John. We have no specific plan for the placement of the Pop-up Bob. What we try to do is place it as equally as we can to all the notified areas of concerns. Due to recent demands on the team, we have not been out as much as we would like to have been. We do endeavour to get this back on track in the coming days, so we will make Cupar Road a priority and will also attend with the speed gun once this has been recalibrated”.
- Any other traffic matters.

5. Local Authority Planning Applications

- Specific planning applications:
 - i. 24/00644/FULL Holiday accommodation (shepherds hut) at Dyke End 8 Sth Croftdyke Ceres.
 - ii. 24/01011/FULL Single storey extension to rear of 5 Walton Park Craigrothie.
- Any other planning matters.

6. Craigrothie Village Hall

- We have been asked by the Craigrothie Village Hall if we can support them in applying for a UK government grant to improve the building “Community Ownership Fund round 4. We are currently seeking clarification from Fife Council as to how we as a Community Council can support CVH in applying for this grant.
- There is the possibility of including upgrade work for Ceres Memorial Hall in the application.
- Development of further cooperation between the two village halls.

7. Local Road Maintenance Works

- Anstruther Road collapsed wall.
- Any other road maintenance issues.

8. Police Matters
